

Alert a case (correspondence, status, renewal)

This instruction shows you how to register alerts so that you will get notified by e-mail when NIPO receives or sends correspondence, if the case can be renewed or if status changes in a case:

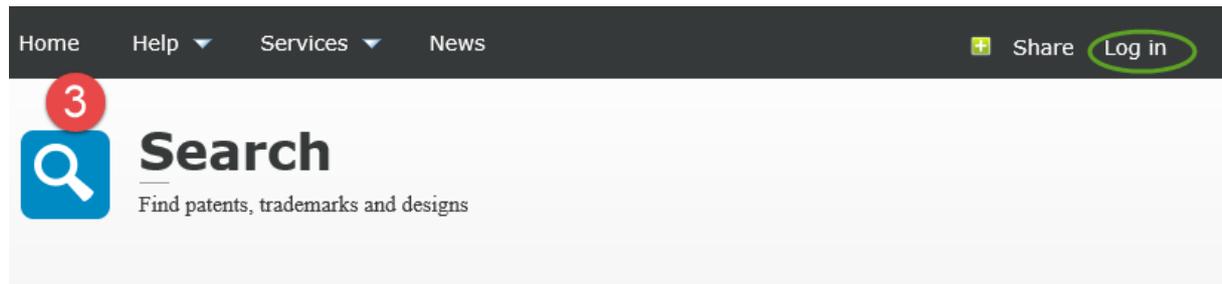

The screenshot shows the top navigation bar with 'Home', 'Help', 'Services', and 'News'. Below is the 'Search' section with a magnifying glass icon and the text 'Find patents, trademarks and designs in Norway'. A red circle with the number '1' is next to the search bar. A callout bubble points to the search bar with the text 'Start by performing a search'. The search bar contains the text 'solo'. To the right of the search bar are links for 'Advanced search: Patent Trademark Design'.

The screenshot shows the search results page. The top navigation bar includes 'Home', 'Help', 'Services', 'News', 'Share', and 'Log in'. The 'Search' section is visible. A red circle with the number '2' is next to the search bar. A callout box with a green border contains the text 'Tick of the cases you want to follow and click Alert case(s)'. The search bar contains 'solo' and a 'Search' button. Below the search bar are buttons for 'Patent (14)', 'Trademark (109)', and 'Design (8)'. An 'ADVANCED SEARCH' dropdown menu is open, showing 'Patent', 'Trademark', and 'Design'. Below the search bar are buttons for 'PREFERENCES', 'COLUMNS', 'EXPORT RESULT', and 'PRINT'. A red circle with the text 'Alert case(s)' is next to a bell icon. The results table has columns: Alerts, Image, Application no., Class, Trademark text, Kind mark, Status, Filing date, Renewal, and Applicant. Two results are shown, both with the 'Alerts' checkbox checked.

If you are not already logged in, you will be asked to do so now. You will find a link to Log in in the top menu:

Alert will open in a new tab in some browsers. If the tab does not open, please make sure that pop-ups from NIPO are allowed.

If you were not already logged in you will have to perform step 2 (choose cases) again.

You will receive an alert by e-mail if any changes occur in the case(s) you alert. In the Alert service you may group your cases in folders, set preferences for how often you want alerts etc:
