

## Alerts for new cases from a company or within a subject area

You may register for Alert to be notified by e-mail if NIPO receives new applications from a specific company or within a specific subject area.

Start by choosing Patent, Trademark or Design under Advanced Search:

Type in for instance the company you want to follow in the Applicant/Owner field. You may instead search for Text in mark, invention (word in title or abstract), designer, class or anything else:
